SECTION 1. Tennessee Code Annotated, Title 49, Chapter 6, Part 8, is amended by adding the following as a new section:

49-6-816.

(a) As used in this section:

(1) "Distressed rural county" means a county that qualifies as an "eligible county" under § 67-6-104, for the apportionment of sales and use tax revenue for commercial development districts; and

If an LEA permits the carrying of a handgun on the property of a public school, it shall also determine if the permitted method of carry is open carry, concealed carry, or both.

be authorized is one (1) person for each one hundred (100) students enrolled in the school.

(c) If students are traveling in a school or private vehicle for a school-related activity that is located outside the jurisdiction of the LEA, the director of schools may contact the director of schools for the destination LEA, to request permission to allow the persons authorized to carry a handgun during the course of traveling to and from the public school activity, and during the school activity. If the director of schools for the destination LEA approves the request, the director of schools of the requesting LEA shall transmit a list of all persons who will be authorized to carry a firearm for that particular school activity.

(d) To qualify to carry a handgun pursuant to this section, the person shall:

(1) Notify the principal of the school and the LEA's director of schools of the person's desire to carry a handgun in, or on the property of, a public school;

(2) Have, at the time of notification, a valid handgun carry permit issued by the state of Tennessee pursuant to § 39-17-1351;

(3) Not be prohibited from carrying a firearm under the laws of this state or federal law; and

(4) Have successfully completed at least forty (40) hours of firearms training specific to school policing that has been approved by the peace officer standards and training commission.

(e) The cost of the handgun carry permit, additional firearms training, and the handgun and ammunition the person will be carrying, shall be at the expense of the person who has been authorized to carry a handgun according to this section. The LEA assumes no financial responsibility for a firearm possessed by a person pursuant to this section. Nothing in this subsection (e) shall be construed as prohibiting an LEA from paying a portion or all of the costs associated with the required training or handgun carry permit fees.

(f) For the safety of law enforcement officers, other first responders, the faculty and staff, and the person carrying the handgun pursuant to this section:

(1) The principal of each public school authorizing the carrying of handguns under this section shall compile a list of each person qualified and authorized to carry a handgun on the property of the public school and transmit the list to the appropriate law enforcement agency; and

(2) Each person authorized by an LEA to carry a handgun at an interscholastic athletic event pursuant to this section, other than a law enforcement officer, shall wear appropriate insignia or clothing that clearly identifies the person as a school security officer or otherwise as being in lawful and authorized possession of a handgun.

(g) Nothing in § 49-3-315 shall be construed to require an LEA or a law enforcement agency of the county to assign or provide funding for a school resource officer, as defined in § 49-6-4202, to any city school system within that county on the basis of the WFTEADA, as defined in § 49-3-302. The providing of security or school resource officers by a sheriff shall be considered a law enforcement function and not a school operation or maintenance purpose that requires the apportionment of funds pursuant to § 49-3-315.

(h) This section shall only apply to public schools located in distressed rural counties.

SECTION 2. Tennessee Code Annotated, Section 49-6-815(a), is amended by deleting subdivisions (1) and (2) and substituting instead the following:

(1) A person employed by an LEA as a faculty or staff member at a school within the LEA;

(2) A person assigned to a school in accordance with a memorandum of understanding between the chief of the appropriate law enforcement agency and the LEA; or

(3) A person authorized pursuant to § 49-6-816.

SECTION 3. Tennessee Code Annotated, Section 39-17-1309, is amended by adding the following new subdivision to subsection (e):
